## Stand Up for the Planet II - La Crosse - December 12, 2 p.m.

About 40 people came to a STAND UP FOR THE PLANET walk on Sunday, November 29, organized by a number of people associated with Coulee

Progressives, Citizen's Climate Lobby, and other groups interested in supporting the Paris Climate Talks. The march started in Myrick Park, and convened afterward at Greengrass Café. WXOW covered the event.

**Stand Up for the Planet II will be held on Saturday, December 12, at 2 p.m.** Meet at the "Burger King corner"—where La Crosse Street meets Copeland

Avenue/Fourth Street. Bring a sign (and, if you can, bring one or two new people!). Organizers have a spot for us to meet up afterward to plan next action(s).

You're encouraged to participate in this event, to continue to support the Paris Climate Talks. PLEASE SIGN UP FOR THE DECEMBER 12 EVENT and spread the word, tweet and share the sign up link: [tinyurl.com/laxclimatemarch2](https://tinyurl.com/laxclimatemarch2) And be thinking of what local changes we can make/encourage/demand to reduce La Crosse's CO2 emissions.
