Old Business

First Aid Certification

Doug M. had planned to bring this up at the July Excom Meeting, but that meeting was cancelled so there is nothing to report to the OC. General discussion followed. Perry from the Alpine Shop happened to be walking by so we asked him about training options. He said that he is certified to teach first aid and would be happy to provide training for us. No details were discussed.

Young Sierrans

Doug M. reported that he is planning to contact Sarah Wiley. She has contacts in the Colorado Group. They use a Section Structure instead of Groups.

New Business

ExCom Report

There was no Excom meeting so there was no report.

Trail Maintenance Workshop July 15, 2017

Becky D. distributed copies of the workshop program and reviewed the program contents, as well as, progress on trail work. She has 19 participants signed up for the workshop, including several new people.

August Meeting

Doug M. will be out of town in August. Jim R. will chair the August meeting.

Operation Clean Stream

As of the July meeting date, no one from the EMG has organized participation in this year's Operation Clean Stream. Jim R. feels that this is an important activity and would like to see us continue to participate. Two problems were identified. One is finding someone who would like to be the Leader/Organizer. The other is that Forest 44 Canoe Rental, who used to loan us canoes, is now out of business.
