### **RULING BY THE SPEAKER**

on House Bill 3750

Announced in the House on May 24, 2019

Representative Zwiener raises a point of order against further consideration of the Senate amendments to **HB 3750** under Rule 11, Section 2, of the House Rules on the grounds that the amendments are not germane.

As the bill left the House, it related solely to prohibiting a city from adopting water quality regulations in the city's extraterritorial jurisdiction that impose requirements in excess of those required under Federal law. The Senate adopted Amendment No. 2 by Campbell that would restrict a city's authority to impose a fine or fee that applies in an area in the extraterritorial jurisdiction that has either been disannexed from the city or was subject to a failed annexation attempt by the city.

Senate Floor Amendment No. 2 addresses fines and fees for matters far beyond the scope of the original, narrow House engrossment. Therefore, the Senate amendments are not on the same subject as the House engrossment.

Accordingly, the point of order is well-taken and sustained.

**HB 3750** was returned to the senate.
