

Sierra Club Sustainability Pledge

Chapter/Group: _____

Be it resolved that the Sierra Club _____ commits to these ideas and intents in carrying out club activities. By adopting these guidelines for group gatherings and business, we live by the principles that we espouse in our efforts to preserve and protect the environment.

Air Quality. Greenhouse Gas Reduction. Water Conservation. Land Use. Water Quality. Forest Conservation. Resource Conservation. Wildlife Preservation.

MEETINGS/GATHERINGS

Meetings will be held in places easily accessible by public transportation, walking or cycling. Members are encouraged to carpool if the above modes are not an option for them.

PAPER

We will consider the need before offering paper handouts, and opt for electronic communications when viable.

We will print on both sides of paper when we do offer paper handouts.

We will reuse or recycle paper not distributed.

NEWSLETTER

Our newsletter will be printed on 100% recycled paper.

FOOD

Functions will offer food that is locally grown and organic when possible, and plant-based.

We will encourage bring-your-own or offer reusable/recyclable/compostable plates, cups, utensils, and napkins at group events.

Event hosts or organizers will provide facilities for recycling/composting.
