

Concerned about saving for your child's future? Me too – I'm helping to save her planet.

**FIGHT GLOBAL WARMING.
BE PART OF THE **2%** SOLUTION.**

I want to do all I can to help protect my baby's future, and global warming is one of the biggest threats that our world — her world — faces. Everyone must play a part: business, government and individuals. Scientists say we must all reduce our carbon emissions by 80% by 2050. That's just 2% a year. So this year I am doing an energy audit of our home to reduce waste and putting in a ceiling fan so I can use less air conditioning this summer.
