Hi all!

As we await election results and work through the waning days of campaign 2024, we are also preparing for 2025, including for our annual lobby day, Environmental Day at the Capitol. This is an opportunity to meet with your legislators, hear from great speakers, and connect with others who are doing advocacy work both inside and outside the Arizona Legislature.

Please join the Grand Canyon (AZ) Chapter for our annual picnic to recognize our supportive members, awesome volunteers, and outstanding partners. We will provide food and drinks, so RSVP so we have a solid count. We will celebrate some wins, give out the awards, and have plenty of time to get to know new friends and connect with old friends. There will be an optional hike prior the picnic..
