Hi all!

We're preparing for 2025 at the Arizona Legislature, including for our annual lobby day, Environmental Day at the Capitol. This is an opportunity to meet with your legislators, hear from great speakers, and connect with others who are doing advocacy work both inside and outside the Arizona Legislature. We know there will be some big challenges, but that does not mean we should not continue to advance action on climate and addressing the impacts.

We will start regular legislative updates again when the legislative session starts in January 2025. In the meantime, we will send out these period messages. In addition to Environmental Day information, see below for information on on two workshops, including the Volunteer Lobby Workshop. We hope you can join us!

If you have questions, suggestions, or want to get more involved, contact me at sandy.bahr@sierraclub.org.

All the best,

Sandy Bahr
