Re: HAM/CLE US-52 35.81/0.00
PID 108641

August 28th, 2018

Dear Stakeholder:

The Ohio Department of Transportation (ODOT) intends to install bike lanes along US-52 within the existing shoulder space and install signs to connect to the existing bike path that ends at Five Mile Road and Kellogg Road in Hamilton County. The proposed bike striping along US-52 will end at the intersection of US-52 and Adamson Road in Clermont County. The environmental impacts are anticipated to not be significant and not require mitigation. Right-of-way is not required for this project as all work will be done within the existing Right-of-way. Attached to this letter is a map showing the marked bike route. Further information about this project is available at the following ODOT FTP site: <ftp://ftp.dot.state.oh.us/pub/Districts/D08/108641/>

Construction for this project is expected to begin August 2019 and be completed by November 2019. Traffic will be maintained at all times during construction but may require the use of flaggers. Access to properties will be maintained at all times as well. We sincerely appreciate your cooperation and feedback for this worthwhile project. Should you want to comment on this project please do so before September 29th, 2018 to the following address:

Ohio Department of Transportation District 8 Office
Attention: Andrew J. Fluegemann, P.E., DEC
505 South State Route 741
Lebanon, OH 45036-9518
Telephone Number: 1-800-831-2142

Or you can e-mail your comments to the Environmental PM, Anthony Pankala E.I.T., anthony.pankala@dot.ohio.gov. If you have any questions regarding the above, please contact Lucas Braun, P.E. ODOT Project Manager at 1-800-831-2142 extension 933-6598.

Respectfully,

A handwritten signature in blue ink, appearing to read "Lucas Braun".

Lucas Braun, P.E.
