Harry Taylor

I am Harry Taylor, a longtime resident of the Antelope Valley and supporter of the local Antelope Valley Sierra Club. Being a part of the team, I look forward to building and improving the organization. I believe in the Sierra Club's goals and objectives that includes protecting and enjoying our environment. The Sierra Club affords us all the opportunity to improve and appreciate the outdoor beauty of nature. Our involvement not only will help bring attention to the importance of our environment, but it can improve our lives socially, emotionally, physically, and spiritually.

Paula Hock

I am a Life Member of the Sierra Club and grew up hiking near my grandparents' farm in the Appalachian Mountains of northeastern Pennsylvania. I have lived in Massachusetts, Utah, England and Mexico prior to moving to the Antelope Valley more than 30 years ago. Locally I serve on USAFB Plant 42's Restoration Advisory Board for cleanup of historic environmental pollution and was active with Desert Citizens Against Pollution which successfully stopped burning of hazardous waste at cement plants.

A retired librarian, I am also involved with the American Association of University Women and Friendship Bridge, a microfinance plus organization that supports indigenous Guatemalan women.
