June Ballot Measures:

Measure	Summary	Sierra Club CA Recommends:
Proposition 68 - California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018.	<p>California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 would authorize \$4 billion in general obligation bonds for state and local parks, environmental protection and restoration projects, water infrastructure projects, and flood protection projects.</p> <p>To see our press release on supporting the measure, click here.</p> <p>For the full text of the measure, click here.</p>	<p>Support.</p> <p>Passed</p>

<p>Proposition 70 - Greenhouse Gas Reduction Reserve Fund</p>	<p>The measure would require a one-time, two-thirds vote of the legislature in 2024 on the distribution of greenhouse gas reduction funds generated by the cap-and-trade program For more information, click here.</p> <p>The policy will empower a small set of legislators to extract significant policy concessions in exchange for their votes. It will postpone urgent expenditures for climate, air quality, and other statewide and local priorities, including expenditures in environmental justice communities.</p> <p>For the full text of the measure, click here.</p>	<p>Oppose</p> <p>(Failed)</p>
