The Crescenta Valley Group of the Sierra Club invites you to join us for Bruce Hale's presentation of his Adventure Canada cruise from Kangerlussuaq, Greenland to St John's, Newfoundland. The cruise started above the Arctic Circle and gradually sailed south along the rugged coasts, making stops with zodiac landings in remote regions replete with mountains and glaciers and tundra and fjords. See Nuuk, one of the world's northernmost capitals, and Nain, in N Labrador, and L'Anse aux Meadows, picturesque site of a Norse settlement in 1000 AD. Also, The Torngat Mountains NP, home of the Inuit and site of Canada's highest peaks east of the Rockies. Lots of wildlife too, including polar bears. This cruise took place in Sept. 2023. his will be a hybrid presentation – both in-person at the La Crescenta Library, 2809 Foothill Boulevard, La Crescenta, CA and also on Zoom for virtually attendees who cannot make it to the library.
