I am currently the Sierra Sage Vice Chair and have served as chair in the past. I hope to continue to serve on the Sierra Sage Ex Comm to promote an environmental agenda and pursue ways of exposing more people to the outdoors and our wonderful resources.

I've been a member of the Sierra Club since 1981 and began leading Wednesday hikes for the Orange County Group (in recent years often co-sponsored by Sierra Sage) more than 10 years ago. I like to hike and explore: I've backpacked with the Club, with my husband, and by myself. More recently, I've discovered mule packing. Since 2010 I've co-led European hiking trips with Ed. I've always cared about the environment; nowadays care has definitely become concern. We all need to do more, me included. I would be honored to serve on the Sierra Sage Ex-Com.

I am running to be a member of the Sierra Sage Executive Committee for the second time. I have been a Sierra Club member for around 40 years. In my earlier years I participated in hikes, backpacks and trips. After retiring I became a leader and regularly lead Wednesday and Saturday hikes. I have also started co-leading some trips within the U.S. If you vote for me I will continue to support the Sierra Club goals of enjoying, protecting and preserving our wilderness areas in as many ways as I can.
