Broward Sierra Creates New Bird Habitat - Update

Well, the bird garden in Markham Park is ready for sight-seeing! It is located in Markham Park in Sunrise (16001 W. State Road 84) just south of the dog park (Barkham Park). Thanks again to all the volunteers who spent the day planting all the bird-friendly vegetation. With the endless new construction being built for people, it's nice to do something for our feathered friends.

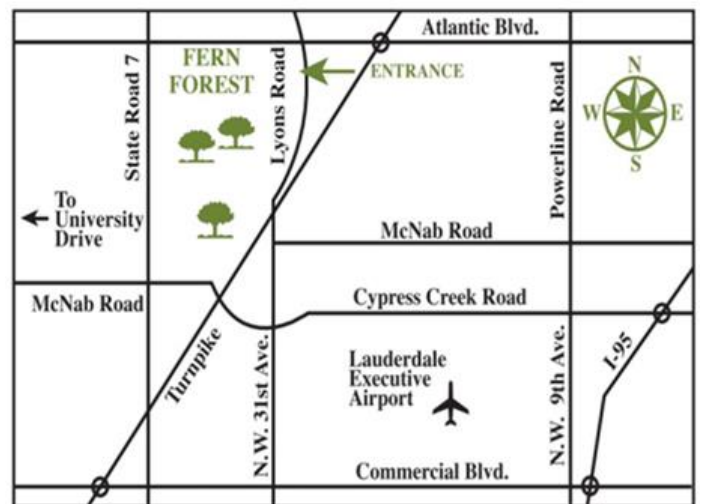

Broward Sierra Club's General Meetings - The first Thursday of each month we have committee reports and an educational program on conservation or environmental issues.

DIRECTIONS: Fern Forest Nature Center, 201 Lyons Road South, in Coconut Creek is just south of Atlantic Blvd. on the west side of the street. (From the south, NW 31 Ave. becomes NW 46 Ave., and then Lyons Rd. as you pass under the turnpike.) Committee reports begin at 7:30, and the program follows. The meeting is open to the public at no charge.

Broward Sierra Club's next General Meeting will be on July 11, 2019.

After committee reports, we will be showing the 2015 documentary "Circle of Poison", a global look at communities impacted by the export of toxic pesticides made in America and how they are fighting back. Food and drink will be served. <https://www.imdb.com/title/tt4679022/>
